Education Background

B.Tech in Electronics and Computer
Science Engineering
KIIT University, Present

Higher Secondary (Class 12)
Deepika EM School, 2022

Secondary (Class 10)
Carmel School, 2020

About Me

I am a dedicated student pursuing a B.Tech in Electronics and Computer Science Engineering at KIIT University, eager to join the society to further develop my skills, gain valuable experience, and contribute to the society's mission.

Experience

Member of Kamakshi and He for She Society and NSS SOEE Society. Worked on content creation and volunteered in various events.

Why I Want to Join

I believe that this will provide me with a unique opportunity to enhance my leadership, communication, problem-solving, group development, and management skills. Additionally, I'm excited about the chance to improve my skills, and public speaking abilities
